OUR INAUGURAL COLLECTION

FLEXIBLE ESCAPES FOR TRAVELERS IN THEIR 40s AND 50s

# ROAM

BY TAUCK

For more than a century, our company has been making travel dreams come true – crafting journeys that inspire connection, discovery, and joy. And through all those years, one thing has never changed: our commitment to evolving with our guests, creating experiences that reflect not only where they want to go, but how they want to travel.

That spirit of evolution inspired our newest brand: Roam by Tauck.

We created Roam by Tauck specifically for travelers in their 40s and 50s who are in the thick of busy lives – balancing careers, families, and commitments – but who crave meaningful time away to reward themselves and indulge. It's for those who love discovery and connection, yet also value quiet mornings, free afternoons, and space to breathe.

Every journey reflects the same care, quality, and expertise that have defined Tauck for generations – reimagined with more flexibility and downtime built in. My hope is that Roam by Tauck gives you what travel so often gives me: the chance to feel re-energized and restored, and reminded that slowing down can be its own kind of luxury.

Thank you for sharing in this new chapter with us. We're so excited for what's ahead – and honored to have you with us.

# THE ROAM BY TAUCK DIFFERENCE

Roam by Tauck is designed for travelers in their 40s and 50s who seek balance – experiences that immerse and inspire, with the time and space to truly savor them. Each journey is shaped by a new rhythm of travel: one that invites you to slow down, explore deeper, and recharge completely.

## UNLOCK THE EXTRAORDINARY

Unique VIP access to experiences most travelers never find on their own – including Signature Moments curated just for your small group.

## YOUR JOURNEY, YOUR CALL

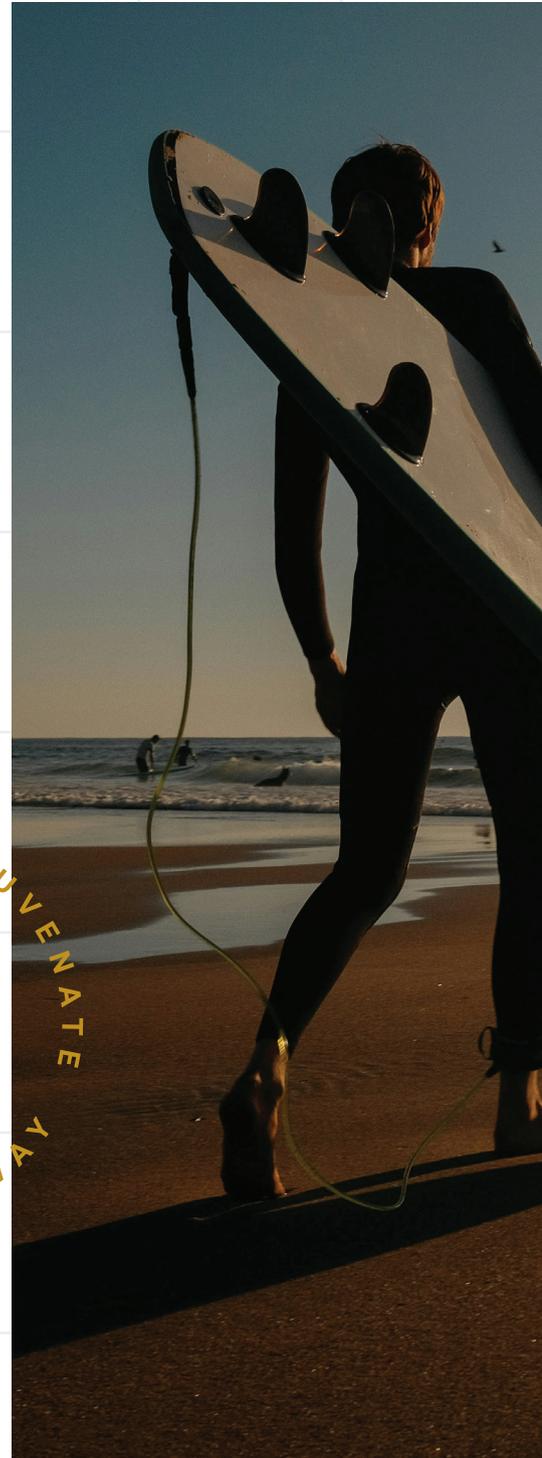

Roam by Tauck's half-on, half-off approach balances guided discovery with time to follow your own path. It's travel with a plan, not a script.

## REST IS PART OF THE PLAN

Each itinerary includes at least one retreat-like stay, with three- to four-night stops built in so you can slow down and exhale – without missing a thing.

## REWARDING IN EVERY SENSE

Every journey is indulgent in all the right ways – from bold local flavors and world-class spas to active experiences that leave you feeling renewed.

## GUIDED TRAVEL, REIMAGINED

Roam by Tauck reshapes the guided journey for a new generation – smaller groups of around 16 guests, flexible pacing, and the freedom to decide how each day unfolds. You might join others for a morning hike, linger over coffee in a quiet square, or spend an afternoon entirely on your own.

This isn't a tour that keeps you moving – it's an experience that lets you be in the moment. You'll enjoy the benefits of independent travel – the privacy, the spontaneity, the personal discovery – with the confidence of having every detail handled by the most trusted name in guided travel.

Expert guides open doors closed to most travelers. Every thoughtfully planned moment, curated to perfection. When you want to explore on your own, the path is yours to follow. And when you're ready to reconnect, you'll find yourself among like-minded travelers who value the same balance of flexibility and connection.

It's the best of both worlds – the freedom of independent travel, with the guidance and care of Tauck.

## A DAY, YOUR WAY

Morning sunlight spills across the terrace as the city wakes. You linger over breakfast before the day begins – perhaps joining your small group for a private market tour and cooking demonstration with a local chef, where stories and flavors unfold together.

Later, with free time to explore, your Roam Director can point you toward a quiet gallery, a favorite café, or a hidden viewpoint – suggestions chosen to match what moves you most. There's time to pause, recharge, and wander at your own pace before gathering again for an evening of conversation and wine under the stars.

This is the rhythm of a Roam by Tauck day – immersive moments shared with a few, and the freedom to enjoy time that's entirely yours. Every journey follows this balance of:

- ◆ **Group experiences** – Signature Moments and cultural encounters that bring your small group together.
- ◆ **Curated choices** – Flexible options crafted by experts, so you can shape each day without the stress of planning it yourself.
- ◆ **Free time** – Built-in space to relax at the hotel, explore independently, or do nothing at all.

## OUR GUIDES MAKE ALL THE DIFFERENCE

Every Roam by Tauck journey is led by an expert Roam Director who turns travel into something unforgettable. They're storytellers and connectors – professionals who know when to lead, when to step back, and how to make a moment linger. They're with you throughout your journey, except for the moments you want entirely to yourself.

Each Roam Director is handpicked not just for what they know, but for how they make you feel – welcomed, supported, and free to experience more.

- ◆ **Proven expertise** – With an average of ten years' experience guiding for Tauck, they bring a perfect blend of experience, insight, and calm confidence to every journey.
- ◆ **Destination insiders** – Each is a true local expert, with the connections and cultural fluency to unlock places and perspectives few travelers ever encounter.
- ◆ **Intuitive service** – From small gestures to seamless problem-solving, they anticipate needs before you voice them.
- ◆ **A trusted presence** – Backed by Tauck's legacy of care, they bring warmth, professionalism, and reassurance throughout your travels.

On every journey, your Roam Director isn't just there to show you the way – they help you find your own.

Expecting the unexpected is the best mindset for travel and the unexpected should be embraced in the spirit of adventure. We hope you share that philosophy.

– The Tauck Family

Aboard ships, triples may not be available or may include a sofa or upper berth.

**Luggage Handling & Restrictions:** Normal luggage handling is included in the tour cost. Due to space restrictions on on-tour transportation, we ask that you please limit your checked luggage to one suitcase per person weighing no more than 50 lbs. Allowances and restrictions for checked and carry-on luggage vary across airlines, so we urge you to verify your airline's current number of items, size and weight limits to avoid overage fees, which can be expensive. Tauck cannot be held liable for additional fees or inconveniences imposed by your airline. Depending upon your other coverages, you may wish to compare the terms of this policy with your existing life, health, home and automobile policies. If you have any questions about your current coverage, call your insurance agent. Should you choose to travel without *Guest & Cruise Protection*, or other adequate travel protection coverage, we will not be liable to you for any loss that such travel protection would have covered.

## Not Included in Price

The tour price does not include your airfare and related taxes to the tour departure point and from the tour ending point. As a service, Tauck will make hotel reservations before or after your trip on a space available basis upon request. These hotel charges will be added to your tour cost.

Personal expenses such as phone calls, room service, most alcoholic and bar beverages, laundry, airline excess luggage charges (as noted above) and other optional incidental extras are not included.

## Luggage Responsibility

Although every effort is made to handle guests' luggage carefully, we cannot be responsible for loss or damaged luggage and personal effects due to breakage, theft, or fair wear and tear through hotel, airline and ground transportation handling. It is important to have adequate insurance to cover these eventualities. See Tauck's *Guest & Cruise Protection*.

The protection plans discussed above provide insurance coverage that applies only during the covered trip. You may have coverage from other sources that provides you with similar benefits but may be subject to different restrictions.

**Early Departure Policy:** If you leave your Tauck journey before it concludes, you may be eligible for a refund for the unused portion of your itinerary, based on the number of overnights missed. Refunds do not apply to missed activities or meals before departure. Guests without Tauck's Protection Plan will have \$100 per person, per missed overnight deducted to help offset fixed costs. Certain restrictions apply.

**Partial Room Cancellation:** A person who cancels or leaves a tour while a roommate remains constitutes a cancellation of one type of accommodation and rebooking of another type. The price charged to the remaining person is the new, higher price for the new accommodation.
