INTERCONTINENTAL®
ROME AMBASCIATORI PALACE

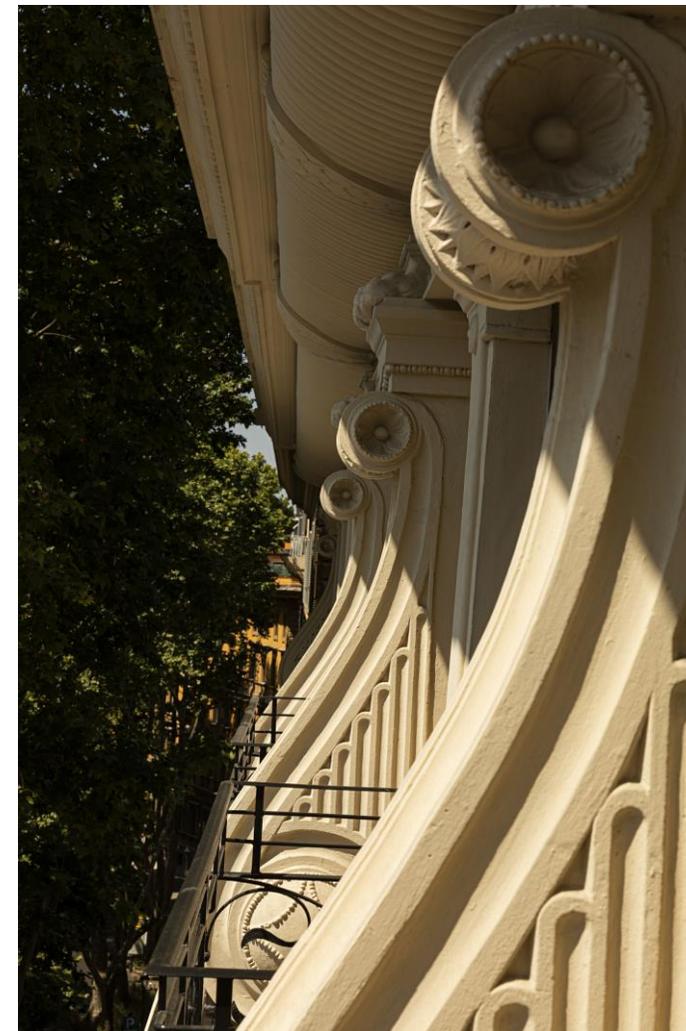

WELCOME TO INTERCONTINENTAL ROME AMBASCIATORI PALACE

Renowned Italian architect Carlo Busiri Vici's neo-Renaissance vision from 1900 has bestowed the InterContinental Rome Ambasciatori Palace with its meticulous, "fin de siècle" elegance, characterized by understated luxury.

Originally, the Ambasciatori Palace Hotel opened its doors in 1905 as the "Palace of the Ambasciatori," a residence for visiting ambassadors. From 1946 to 1993, it served as the home of the US Embassy Library.

Located on Via Veneto, the iconic boulevard synonymous with glamor, cinema, and celebrities, the InterContinental Rome Ambasciatori Palace is a symbol of Roman luxury and hospitality.

It reopens in May 2023 after a comprehensive two-year refurbishment, offering 160 rooms and suites to welcome guests.

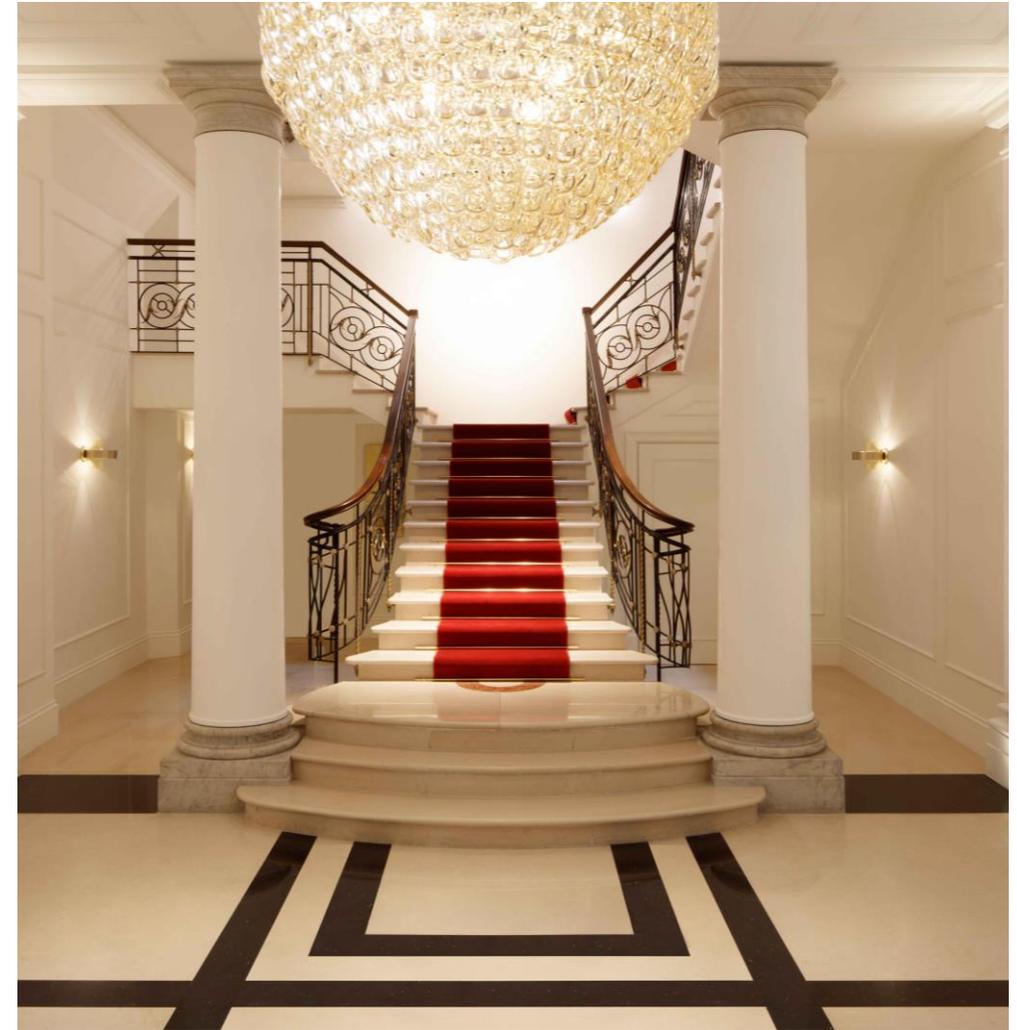

UNIQUE SELLING PROPOSITIONS

The substantial investment in renovating the InterContinental hotel has elevated it to a distinctive lifestyle destination.

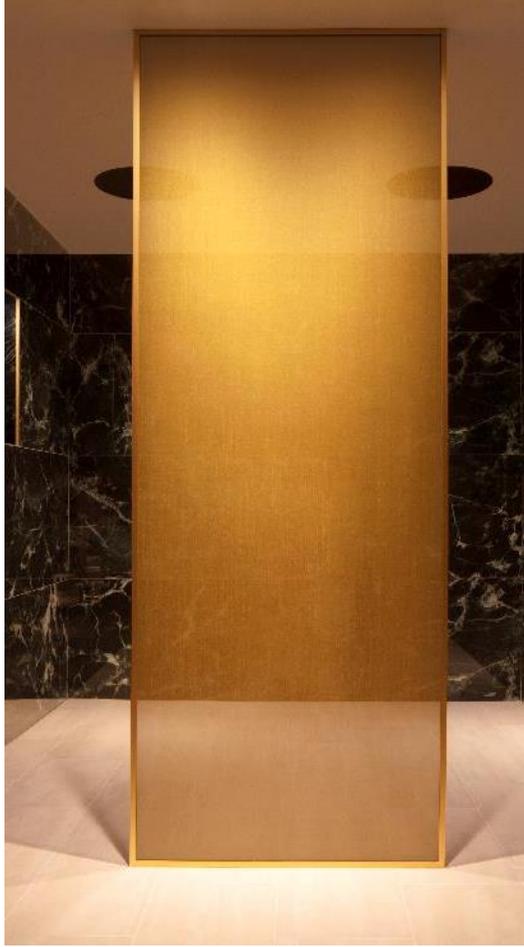

This establishment, exclusively located on Via Veneto, is the only one in the area to undergo such extensive refurbishment, offering guests an unparalleled experience. The hotel introduces a one-of-a-kind Food & Beverage concept with the branded restaurant Scarpetta, renowned among American clientele.

The hotel's style combines a deep sense of place with discreet luxury, catering to the diverse nationalities of its guests. Its central location, within walking distance from iconic Roman landmarks, ensures easy access to the city's cultural treasures. Yet, it is strategically positioned away from the hustle and bustle of the city, providing a peaceful retreat for guests despite being on a charming main street.

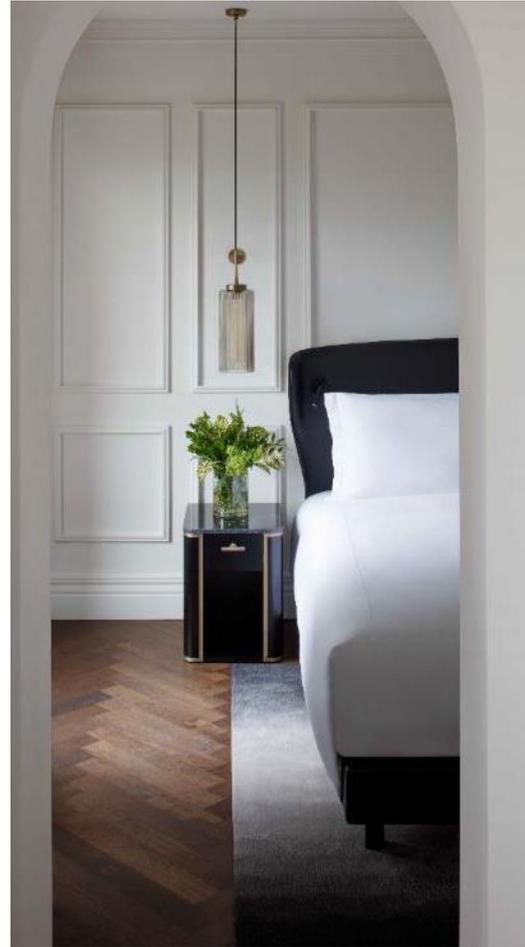

Its design and services have received exceptional feedback from Virtuoso agents and delighted guests alike, making it a truly exceptional destination for travelers seeking a luxurious and culturally rich experience in the heart of Rome.

CHARMING DESIGN

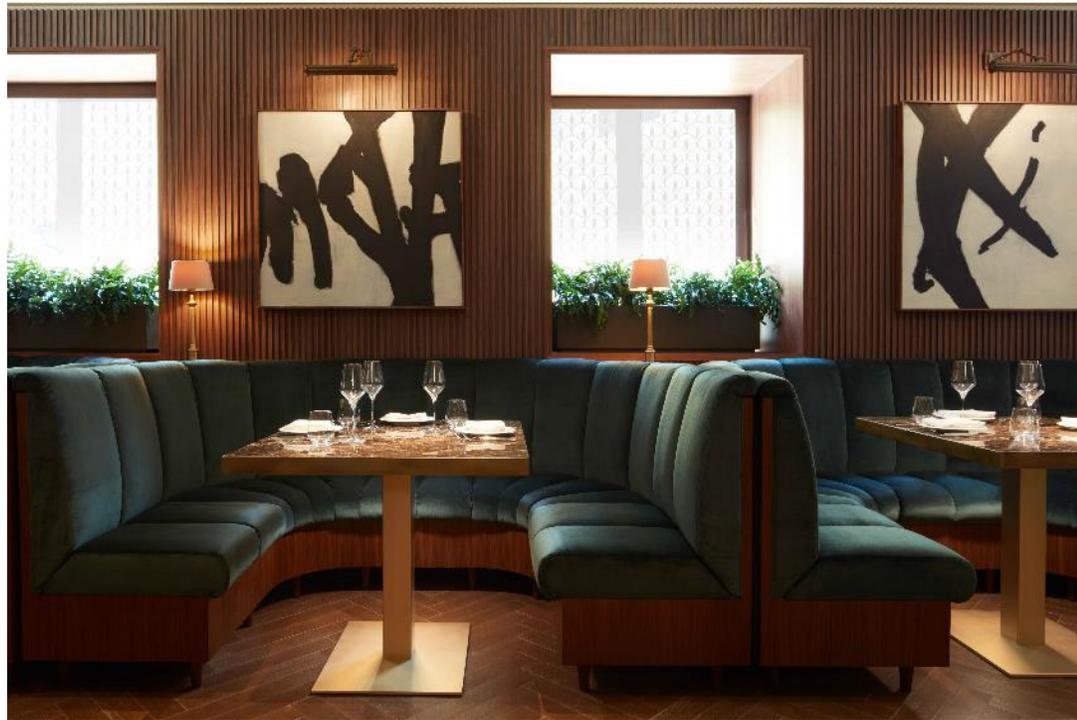

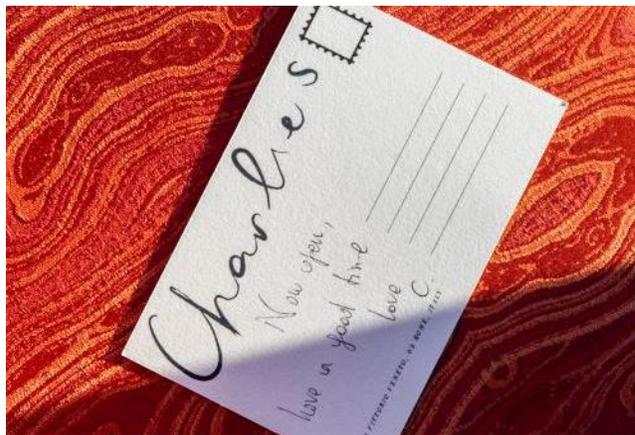

LAVISH LIFESTYLE RETREAT

A name that embodies the philosophy: savouring a meal right down to the last bite. This classic Italian habit is finally rising and becoming the symbol of a new way of experiencing conviviality. An elegant atmosphere where Italian and New York food and wine traditions mix. The Italian and American wine list and the New York-style cocktail list make the tasting itinerary even more exclusive, with perfect pairings that are anything but trivial.

Charlie's

At the sixth floor of the hotel, we are pleased to welcome our guest at our renowned rooftop bar with a stunning city view.

An atmosphere of modern jet setters, exclusive live music and DJ sets everyday, sophisticated mixology and canapés.

CAMEO EVENTS ROOM

The Cameo Events Room is a classical reinterpretation of a conservatory where a mix of elegant and sophisticated elements are creating a peaceful environment with warm amber touches.
