

Central America

Pint-sized compared to their northern and southern neighbours, Central America and the Caribbean punch above their weight when it comes to wonders. The amount of landscape, wildlife, and culture packed into such a modest space is simply staggering. Plus, there's a huge benefit to being small: everything is always nearby, so there's never a dull moment.

G FOR GOOD

Mi Cafecito

COMMUNITY-RUN CO-OP

Mi Cafecito was created in 2011 by Coopesarapiquí, a local tourism and agriculture cooperative, to help coffee producers earn a better income. With training and a steady stream of G Adventures travellers, the cooperative tripled its revenue in the first year. Today, Mi Cafecito is a thriving enterprise, generating income for local farmers through tourism experiences like coffee tours, farm-to-table meals, fish farming, and product sales.
